

Dear CAMUCCIO PAOLO,
(SPONSOR CODE: 19781)

Merry Christmas.

I hope you and your family are doing well. I'm grateful for your kindness and sponsorship, which mean a lot to me and my family.

I'm studying in 10th grade, and this year is a bit challenging as I'll be taking my board exams. I'm working hard staying focused. I'd be grateful if you could pray for me during this time.

I've been participating in various events at school, which have been a great experience. I'm learning new things and making new friends.

In my school we had arts day. I participated in dance competition. I won 2nd prize. and also sports day was celebrated.
